

# Music Therapy Wish List

Music is good for the soul. It not only serves as entertainment but it helps our kids recover from the mental, physical and emotional trauma they have experienced. Music can reduce emotional stress, increases self-awareness, relieves physiological stress, evokes imagination, and creates a positive transference. **Please label all donations from this list with *Music Therapy*.**

- MP3 players (without camera)
- earphones
- alarm clock radio
- radio
- CDs (all genres)

**Due to limited space, used items are not accepted.** Items can be dropped off at our main entrance Monday-Friday, 8:30 am - 6 pm and Saturday 9 am - 4 pm. All donations are 100% tax deductible.
