

# Welcome Bag Wish List

When a child arrives to our residential shelter, they sometimes have only the clothes they're wearing. We provide every child with the items necessary to thrive at the Home as they begin their journey overcoming their trauma. It is our hope that welcome bags give our children a sense of pride and ownership.

We serve more than 500 kids in our residential treatment program every year. Please consider sponsoring a welcome bag with the items below. **Please label all donations from this list with *Welcome Bag*.**
